Dedicating a lifetime in serving God's most precious creation — people!

As a pastor, my drive has always been to serve people. As a servant leader and professional leadership coach, my goal has always been helping people realize their full, God given purpose. I strive to introduce the lost to Christ; effectively teach and nurture believers, raise, train, mentor leaders to advance the Kingdom of Christ, and equip believers to evangelize the local community and beyond.

For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future. Jeremiah 29:11
