

## Nicole E. Myers

Worship Leader/Soloist

✉ nfm1224@yahoo.com

Saved at a young age, I've been blessed to sing with talented servants of God, learning how music softens hearts and draws people closer to Him. I'm passionate about creating worship that invites others into God's presence and mentoring women through their faith journeys. I believe God brought Brad and me together to use our gifts in pastoral ministry to build His Kingdom in the local community.
